Aspire rewards login

When you register, you are assigned a unique ID. When checking in at a participating lounge, present the digital loyalty card on the device to the lounge agent. The lounge agent will scan your digital loyalty card and points will be automatically added to your account. Go to the app's rewards section to see what's available Choose lounge entry, retail vouchers and more. The lounge rewards, such as a free visit, can be redeemed by presenting a QR code to the lounge agent. Follow the instructions that come with gift vouchers to find out exactly they can be redeemed. Aspire Rewards is available for download from the App Store and Google Play right now. Can I collect points at all Aspire salons in the UK? Unfortunately, no. Some Aspire overseas salons are not yet recognizing the Aspire travel rewards scheme. All other Aspire, Club Aspire and Aspire Plus salons in the UK and Ireland participate, these are: Belfast City (BHD); Birmingham & Birmingham South (BHX); Bristol (BRS); Both Edinburgh salons (EDI); Humberside (HUY); Inverness (INV); Liverpool (LPL); London Gatwick (North Terminal); London Gatwick (South Terminal) (LGW); London Heathrow (T5 & T3) (LHR); Luton London (LTN); Manchester (T1 and T2) (MAN); Newcastle (NCL). Partner lounges are not included in this system (such as Glasgow Upperdeck Lounge). The complete and updated list of participating salons can also be found on the app itself, simply in to About. I access your salons through a card scheme, can I still collect points? Surely you can. Aspire Lounge Rewards are not just for direct bookers, whether you access our lounges through a third-party card scheme, through a loyalty scheme, or indeed any other input method, you are qualified to collect loyalty points. Please note that it is not possible to purchase points for a free visit as a result of a loyalty scheme or otherwise. However, those who book the visit directly to www.executivelounges.com earn more points per visit. When do the points expire? Your points will remain with you for 24 months from the date they were issued. Don't be afraid - when the points are close to expiration, we'll nudge you and remind you to use them before they disappear! I have a LoungeMiles card, can I still use this? Existing LoungeMiles cardholders can continue to collect stamps while the old scheme is phased out. It will not be possible to collect digital loyalty points in addition to stamps - simply put; is either / or. LoungeMiles cards are no longer issued in lounges, so once the card is full and you've redeemed your free stay, it's time to move to the App! Please note that are valid for 24 months. <https://www.aspirerewards.com/login> Explanationer If this is the first login from January 14, 2019, please click on the Forgotten password link below.
